Sometimes even Angels must learn to flyâ€¦!

Six Pack Ranch, Book 4

Allison Parker needs a convincing excuse to come home to Rocky Mountain House. A hopelessly romantic reason that wonâ€™t let her mother suspect the truthâ€”that Allison has discovered Mom is keeping a terrible secret from the family.

Gabe Coleman is struggling with two of the roughest parts of ranching: dealing with his bull-headed mule of a father, and making enough to pay the bills. When his old friend Allison offers to help him develop his ideas for organic ranchingâ€”in trade for pretending to be her fiancÃ©â€”it sounds like the perfect set-up.

Yet the deception leads them in an unexpected direction, where their shared daily hells are erased by nights of heavenly distraction. Itâ€™s not supposed to be real, but once the gates are opened, thereâ€™s no denying theyâ€™ve found in each other a little bit of Paradise.

To break free of the past and face the future, though, will take more than temporary pleasures. Itâ€™ll take putting their hearts on the line.

Product Warnings

Tortured hero with a guardian-angel complex, grief-stricken heroine willing to sacrifice everything for family. Break out the tissues, this trip to the ranch is a heartbreaker on the way to the HEA.
